

Faith Baptist Church

Midweek Service

April 22, 2020

Things are looking a little brighter as we continue to move through the crisis that has effected us all. It has been a learning experience as we have been motivated to think outside the box. We are prayerfully waiting for the time that we can resume church together! Even though we are, as of today, still limited to gatherings of no more than ten, keep praying that the restrictions will be removed in the very near future. We are still adapting to and seeking direction on the next step.

THANK YOU to our church family for your encouragement to each other. This is why church is so important. As a body of believers we are strengthened by each other so we can continue the ministry to which God has called us. We may be down, but we are not out! The battle is the Lord's!

THANK YOU for your faithfulness to support our church financially. Tithes and offerings have continued to meet our weekly budget. Praise the Lord! **THANK YOU**. This is a miracle in itself.

THANK YOU for being a part of **FAITH BAPTIST CHURCH**. Your prayers have and are making a difference.

SERVICES WILL CONTINUE to be live streamed. Remember, if you have missed a service or have had any difficulty in viewing a particular service, all the messages have been archived and can be viewed at your convenience.

HEAR Evangelist Scott Pauley this coming Sunday morning and Sunday night as he preaches on Psalm 91.

- **PRAY** for Bro. Wes Palla and his family as they will be leaving tomorrow. It has been a real joy to have them staying in our prophets chamber for these past several weeks. PRAY that they will be back in Brazil very quickly. The Pallas are like family, and we love them very much.
- **RU REVIVAL** continues this week. Please join online both tomorrow and Saturday at 7:00 p.m. RU Friday night meeting is on schedule.
- **NOTE FOR PARENTS** of our 3rd-6th graders: We just found out that Gospel Light camp weeks for this summer have been canceled due to uncertainty of the corona virus.
