

Faith Baptist Church

Midweek Service

May 13, 2020

May 31st is the projected date for returning to church. Praise the Lord and Amen! We praise the Lord for bringing us this far, and by FAITH we will continue on. Be looking for a letter that will give some information to help us all as we make the transition.

The simple guidelines that we will send have been approved by the pastor and deacons. We realize that other details must be worked out as we proceed and that it will take some time to get all the ministries up and going. Your prayers and patience mean so very much. Thank you in advance for your good attitude during these days.

We desire to get back to having “church.” All would agree that we should NEVER take church for granted ever again! This has been a teaching moment, and may we learn and move on.

At the present we have been given a “window of time,” as one preacher labels it. May we see out that window and continue to have 2020 vision. The need is great. The hour is short. Souls are still crying, and men are still dying. We must not lose our VISION!

PRAISE THE LORD! Spirit is good! Adjustments are being made! The future is bright! Tithes and offerings are up! *(Good sign in itself...best giving in the history of our church).*
