

We are at 45 days and counting since this pandemic changed the course of our lives. It is my prayer, and I am sure you agree, that we ALL should be better than we were before it began. The unsaved and those who

have left their first love should PRAY for repentance NOW. All of us should let the Holy Spirit of God search our hearts. The greatest room in the world is the “room” for improvement.

We must not come back to church without asking God to REVIVE US! May He turn us, show us, grant us, and set us on fire. Read Psalm 85. We can react with just our emotions and soon forget, or we can act with our will and choose to revisit our priorities.

Love not the world, neither the things that are in the world.

If any man love the world, the love of the Father is not in him. For all that is in the world, the lust of the flesh, and the lust of the eyes, and the pride of life, is not of the Father, but is of the world. And the world passeth away, and the lust thereof: but he that doeth the will of God abideth for ever. (I John 2:15-17)

PRAY for the church family's returning to worship the Lord in our facilities. Listen for a date. We will be asking all our folk to be cautious and to use good judgment before returning. This is especially true if you have health concerns. The building will be sanitized regularly, and social spacing may be observed for a while. A decision will be made about running buses and returning to Sunday School at a later date. It is God's will that we have CHURCH (*assembling ourselves together*). Satan will not win. Victory is ours! I hope to see many of the church family once again really soon!

REMEMBER your mom next Sunday as Mother's Day is celebrated. Thank God for mothers!

THANK YOU for your faithfulness in the matter of tithes and offerings. We rejoice that through April we have been a little above budget. Praise the Lord!

Thank You
so much!
