ATTENTION ALL SUNDAY SCHOOL TEACHERS of our 1st-6th graders...Your help is needed when we resume running the buses. Teachers NEED to be in their classes by 9:30 a.m. We want to welcome our riders back to church and to assist bus workers as each bus unloads. TEAMWORK is so important! Our teaching time is valuable. Bro. Tyree will be available to direct riders to where their classes are now meeting. THANK YOU for your help!
