

Faith Baptist Church

Midweek Service

August 5, 2020

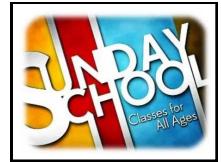

Stop! Look! Listen! Often this saying is related to a train coming down the track. At times we must stop and evaluate, look at ourselves honestly, and listen to the voice of God. Spiritual victories can be won! God doesn't want us to be run over by Satan and the forces of evil. There are many voices vying for attention. God speaks through HIS WORD/ May we have ears to hear the direction of God.

SUNDAY SCHOOL IS OFF TO A GOOD START...It is going to take time to rebuild. Be faithful to your class.

Pray much, work hard, and be encouraged.

Sunday School promotion for children will be September 6th.

REVIVAL PRAYING - If you did not get your copy of this book by Scott Pauley, it can still be obtained. The book is a good read for the entire church family. You can download a copy for free to read on your iPad, Kindle, etc.

DEACONS MEETING - Monday, August 10th, at 6:30 pm...very important.

FAITH CHRISTIAN ACADEMY is scheduled to begin classes on August 24th. Much work is being done to be ready. Pray for this vital ministry as we enter our 38th year.

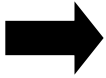

RU will meet in the auditorium this
Friday night at 7:00.

SOUL WINNING is the heartbeat of God. We must renew this emphasis. Consider a soul winning partner. Let Pastor know. If you can make it on Tuesday evening at 6:00 - great! If you cannot, choose a time and may we all GO!

PRAY for REVIVAL FIRES to be rekindled in our individual lives and throughout our church.
