

From the Pastor

December 13, 2020

Would you join the church family in “fasting” this coming Tuesday? We want to set aside a day when we can approach God for Revival, Renewal, and Rededication. I will share more during the sermons today.

These are crucial times and serious days. We must have fresh oil. “Fasting” is not easy. It is spiritual warfare, as given to us in Matthew 17:21. The devil and the demons of hell are in full force to defeat and discourage us. If demons were active in Jesus’s day, how much more must we realize the Satanic attack upon the Church of the Living God?

Prayerfully ask God to guide you in fasting...whether for the whole day or just a part of the day. The emphasis has got to be spiritual not just physical. It is a command of our Lord just as praying is.

Listen attentively to the preaching today. As pastor I need to fast, and I am calling on each of you to “do battle.” May this become a vital part of our Christian lives in the future. We can win, but we must fight with HIS strength.

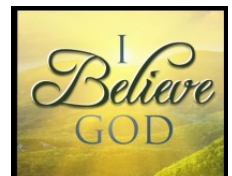

Our ADVISORY BOARD will meet tomorrow night at 6:30 in the auditorium.
