

From the Pastor

February 28, 2021

The future is bright because the Light of the World is Jesus Christ. This past year has been a learning and leaning experience. We have come through territory that was unfamiliar, but we rejoice in lessons that have been taught to each of us. We rejoice that we still lean upon the everlasting arms of our God.

It is with prayer and anticipation that we continue into 2021. May we rededicate ourselves to the task before us. We have a tendency to pray a lot while going through a trial, but then we let up when the trial has passed. The will of God, the way of God, and the work of God must be high on our list of priorities. As we prepare for the month of March may we MARCH into the future with fervor and faithfulness. This is not a time to back up or to give up! This is a time to put our spiritual “shoulders to the wheel” of service. WE WERE BORN TO SERVE THE LORD!

Join us as we MARCH to Sunday School! May these next four weeks be filled with excitement that we get to come and study the Word of God!

We need to be filled with His knowledge and understanding. Hope to see YOU each and every Sunday!

Pray much for the ROOF PROJECT. Thanks for all that you have done (*regardless of the size of the gift*). Every donation comes together to achieve the goal. Remember, it is *not equal giving...but equal sacrifice*. Honor God and let Him lead you.

HEAR Dr. Tom Wallace on March 14th in the evening service.

CHOIR PRACTICE resumes this evening at 5:15. They will be singing next Sunday! We are thankful for the dedication of all our choir members, and we have missed their special music. Pray for the anointing of God upon each voice of the choir as they return.
