

Faith Baptist Church Midweek Service August 25, 2021

We have a large world called "Earth." It is 25,000 miles in circumference and 8,000 miles in diameter, but with the invention of the phone, the television, and the internet our world seems so small. We can be visually or audibly transported to other regions in a moment of time.

Our world is in desperate NEED of the LORD. Approximately 8,000,000,000 (8 billion) people live on this planet, and they are all in NEED of JESUS. Pray for world-wide evangelism! *(Especially for the people of Afghanistan)*

Pastor June from the Philippines expresses special thanks for the funds sent to help purchase rice for families in need physically. Your missions money makes this possible. AMEN!

Our LADIES' AUXILIARY meetings for August and September have been moved to August 30th.

TEENS BIBLE STUDY RESUMES TONIGHT...please meet in the choir room.

LADIES RETREAT...Sign up now! The dates are September 10-11. Pray for Linda Wilkerson and Wendy Burks as they share their hearts.

PRAY for each ministry of the church as we navigate through these troublesome times. We are thankful that God is FAITHFUL and will be our HELP in trouble. Isn't it good to be a CHRISTIAN?
