

From the Pastor

January 23, 2022

While in college back in the mid sixties, I heard a definition of prayer that has remained with me to this day. “Prayer is the thing that moves the hand that moves the world.” We would all agree that God can do anything. I am sure HE is waiting on us to do our part. We have not because we ask not.

In Psalm 81:11 we are admonished to... *open thy mouth wide, and I will fill it.* The next verse says *But my people would not hearken to my voice.* The passage goes on to say in verse 12 that they *walked in their own counsels.*

In college we also had “prayer bands.” These prayer meetings were centered on worldwide missions. May we unite in these days to PRAY for revival among us. I am asking YOU to join with ME as Satan fights to destroy the Bible-believing churches of the world. May we seek the WISDOM of God, the WAYS of God, and the WILL of God. We need RE-VIVAL FOR SURVIVAL!

SURVIVAL KIDS CLUB LEADERS...Please plan to stay for a brief meeting after tonight's service.

Your faithfulness in stewardship is so important, especially when the weather may hinder the church family from being in attendance at regular services.

Thank you for loving the Lord and GIVING of your tithes and offerings.

PRAY MUCH FOR ALL THE MINISTRIES OF OUR CHURCH.

COUPLES BANQUET..

Our couples banquet is almost here! We need a count of those that will be attending, and time is of the essence. Please use the banquet envelope located in the hymnbook racks. We hope all can attend and enjoy our special guests, Dr. and Mrs. Randy Cox. The deadline for signing up is February 2nd.

Funds continue to come in for our GYM ROOF project. Thank you for being led by God toward victory in this project.
