

# Welcome to the Midweek Service!

## Faith Baptist Church

May 4, 2022

PRAISE THE LORD for the possibility of overturning the Roe vs. Wade decision that has allowed millions of babies to be aborted! The issue may be moved back and left to individual sates. Even though that is not the best, (*It should be against the law in all 50 states to “murder” little babies!*) the matter could be taken out of the hands of the Supreme Court which legalized abortion many years ago.

We are a country that is divided over this issue.

May God have mercy upon us, and may we keep fighting for the lives of precious babies.

MOTHER'S DAY is this coming Sunday! We hope this can be a gracious and good day as we take time to reflect. Be thankful for the “good” moms that have influenced many of us down through the years. May we have more dedicated moms as we GO FORWARD! The oldest and youngest mother in attendance will be recognized this Sunday. A memento will be given to each mother in our services.

GOD & COUNTRY DAY is just a few days away. Mark May 22nd - 6:00 P.M. - on your calendar! Each year we take time to show appreciation to our military troops both living and dead. Pray for the service and for our special speaker, Johnny Pike. Invite a veteran and his/her family to attend.

Give a special gift marked “VETS,” if you can.

\*The men of the choir will provide some special music.

\*Wear your patriotic colors.

\*Come with a love for God and a heart thankful for the U.S.A.

\*Enjoy this PATRIOTIC SERVICE!

JOIN US for the FAITH NURSERY SCHOOL PROGRAM tomorrow evening at 6:30. We are thankful for the staff, students, and parents. Pray for the nursery ministry as we seek to instill eternal truth into the minds and hearts of boys and girls.

Reminder to VOTE on May 17th if you have not already voted in early voting...

BIBLES and commentaries are needed for MISSIONS. Bring them to the bookstore. Thanks for items already donated! Help us spread the Word!
