

**From the Pastor**

**August 7, 2022**

God has given us a unique place for the location of our church. We have beautiful facilities and properties just off Highway 29 and connecting to the street that leads to the heart of Kannapolis (First Street/Martin Luther King Avenue). God has given us a great opportunity to be a light to our city and to the cities that surround us. We must ever keep the Gospel (Good News) at the forefront of all that we do. However, we must also maintain the buildings, the vehicles, and the grounds of Faith Church.

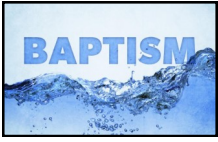

Maintenance can be expensive, but it is necessary. Repairing and upgrading several million dollars worth of assets takes a lot of funds. We noted this in replacing the gym roof recently. Other renovations in FCA have been ongoing this summer, and other projects need to be prayerfully considered. I believe it is a great testimony to have things looking good for the glory of God. We have a big God, and He taught us to ASK. May the church family unite in prayer as projects are presented for future consideration.

**PRAY** for the various ministries of our church which include Sunday School, Bus Ministry, Church Nursery, FCA, FNS, Youth Ministry, Soul Winning, Ladies Ministry, Shut-in Ministry, Missions, RU and Finances. Of course, our most important ministry is **PRAYER** itself!
