Announcements...

Our 2023 church budget was approved this past Sunday night. A budget is a goal and a guide to keep us accountable. We want to be good stewards of the finances that He provides for us. Pray that God will supply all of our need!

Sunday School is a vital and important ministry. We are thankful for those who teach or assist in Sunday School in any way. There's a special reward in Heaven to those that prepare and TEACH the Word of God!

Praise the Lord for the two additional missionary families that we are supporting this year: the Dodsons (Germany) and the Sears (Iceland).

Pray for Caleb and Kristan Cajiuaat as they desire to go to Japan this summer on an exploration trip seeking where to serve when they depart to the "Land of the Rising Sun."

Bus drivers needed to assist in the bus ministry and at other times. *The wheels on the bus go 'round and 'round, all through the town.* Sing that chorus.

THANK YOU NOW for giving to the parking lot fund. We are praying together for \$194,000. Amen!

Joy of Marriage banquet - February 18th - with Chase and Joy Whitten... Listen for details. Go ahead and mark the event on your calendar.

USHERS MEETING: Sunday afternoon, January 29th at 5:00 in the choir room

TEENS & parents - The snowtubing trip scheduled for January 21st has been rescheduled for January 28th. Cost and time to be announced.

Challenge: Take up the Bible and begin reading and being challenged from the greatest book ever written. The Lord help us be a Bible-read, Bible-fed, and Bible-lead church!
