

From the Pastor

March 5, 2023

Sunday School has been greatly used by God for many years. It is a place to "plug" into Bible Study for various age groups. Thankful for faithful teachers who give instruction from the Word of God week after week. Only Heaven will reveal the lives that have been touched. My own life growing up in a Christian home was influenced by various Sunday School Teachers. May God bless each today, and the respective classes they teach.

PRAISE the LORD we are now at \$13,500 on our way to \$194,000 goal for the Parking Lot Fund. Pray and give as the Lord leads. May we express our faith in a mammoth task and a mighty God
