**HAPPY
FATHER'S
DAY**

HAPPY FATHER'S DAY! My dad would be 106 if still living...the things he taught me by life and lip still remind me how blessed I am. He taught me there was a GOD. Not only a God but the FATHER GOD. We all realize there are no perfect "fathers" but ONE. Yet every generation should have a group of men who desire to REFLECT the Heavenly Father. Our Father which art in heaven hallow be thy name. May we on this Father's Day 2023 REDEDICATE ourselves to be more like our father in Heaven. This world needs to see some old fashion DAD's who still believe the Bible is true and HE is to be worshiped.

**GOD
