

Labor Day has been an annual federal holiday in the United States since 1894. It was created in honor of the American la-

bor movement and the enormous contribution which millions of workers have made in helping the United States to develop and prosper. It is also good to recognize all the labor in the work of the Lord. THANK EACH OF YOU for your Labor of Love in extending the ministry of Faith Baptist Church. May we pray for more laborers in the harvest field. May we rededicate ourselves to WORK until Jesus Comes. Amen!
