

Welcome to our Midweek Service! October 9, 2024

From the Pastor...

ELECTION TIME!

Hard to believe we are at the juncture of going to the voting booth again. Trust that all are praying for the candidates on the ballot.

America is at a crucial time in her history.

May we see an united voice for the cause of freedom and the privilege of following the God given values we hold dearly. There are some sample ballots in the vestibule for all who would like to view them. There may be a few changes on other ballots due to different precincts. If you need a ride to your voting place, or are available to offer a ride, please let us know... Let us PRAY for America!

Let us all VOTE!

November is designated
MISSIONS MONTH.

Each service will be devoted
to our Missions Outreach.

Schedule of program is forthcoming. Time to consider Faith Promise Giving. This is the method of support to the various ministries around the world. Our support helps get God's Word around the world...

PRAY for the people affected by Hurricane Helene and Milton. They are still in Great need of supplies and prayer.
